Danielle Franklin: St Benedict's

Danielle would be the first to admit that she lacks confidence when delivering a variety of sports. However, she has really taken on advice and feedback to deliver her hockey lessons to a high quality. Well done!

Charlotte Weaser: St Marys

Charlotte is always very prepared with extra resources for pupils to use in their lessons. She took on board all that was advised and ensured it was added to her delivery of the term. The pupils really enjoyed the lessons and showed lots of progression.

Sophie Morris: Eastborough

Sophie got the most out of pupils by delivering a fast-paced lesson. She enjoyed learning more complex gymnastics skills and new terminology, which she used effectively in lessons.
